

## TEST HOLE LOG

Operators are encouraged to use this form or a similar format to submit Plan Of Operation information. Include information obtained from test holes and observation points (road cuts, highwalls). Additional blanks are provided so an operator can use this form for other site and mine material information.

**Operator name:** \_\_\_\_\_ **Date of fieldwork:** \_\_\_\_\_

**Site name:** \_\_\_\_\_ **Legal description:** \_\_\_\_\_

**Other:** \_\_\_\_\_ **Other:** \_\_\_\_\_

Hole number					
Soil thickness					
Overburden thickness					
Mine material thickness					
Stop in (material/depth)
